

NEWS RELEASE

Hexagon to grant wish for north Alabama child

Madison, AL. (October 31, 2016) – Hayden was a normal six-year-old boy who loved the outdoors, animals, mud, bonfires and playing with Legos until life as he knew it would be changed forever. In 2015, Hayden was in an accident that caused him to be paralyzed from the neck down and caused respiratory failure. Now eight-years-old, Hayden is wheelchair-dependent and uses a ventilator at all times. His life is much different than what his parents, and even Hayden, thought it would be.

When Hayden was referred to Make-A-Wish Alabama, his love of outdoors, Legos, animals and watching National Geographic shows made his wish a simple one –to go to the San Diego Zoo and LEGOLAND.

On Thursday, November 3, Make-A-Wish Alabama and Hexagon will come together to reveal to Hayden that his wish is granted. Hexagon’s Safety & Infrastructure and Intergraph Process, Power & Marine businesses in Huntsville teamed up with Make-A-Wish Alabama through the chapter’s “Adopt-A-Wish” program to grant Hayden’s wish.

What: Hayden’s Wish Reveal

When: Thursday, November 3 at 12:30 p.m. - 1:30 p.m.

Where: 305 Intergraph Way
Madison, Alabama, 35758
